WINEMAKER Luís Cortinhas

ORIGIN

Deep in "Terra Quente" of Trás-os-Montes, the Vinha de Rio Torto from Quinta do Sobreiro de Cima possesses schist soils with an excellent solar exposure, in which the grapes reach the perfect ripe level and give fruit to unique wines, praised for their complexity and aging capabilities.

VINIFICATION AND MATURATION

Manual harvest to small perforated crates. Reception with immediate destemming and crushing. Fermentation in stainless steel tanks, with tanning under a controlled temperature of 23°C. Prolonged maceration and malolactic fermentation in oak wood. The 24 month maturation in french oak barrels was followed by a prolonged aging period of 6 years in the bottle.

TASTING

Wine with a prolonged maturation period, dominated by aged aromas that harmonized the entire structure and intensity of ripped black fruits, combining concentration and elegance. In the palate is long and elegant, with a persistent finish. For these reasons, it is advisable to decant this wine before serving, as well as removing the stopper carefully and slowly.

TRY IT WITH...

Excellent paired with meat dishes, bush meat or cheeses, preferably not too intense. Decant and serve at a temperature of 17°C.
